March 28, 2002

Mr. & Mrs. Eric P. Newman  
6450 Cecil Ave.  
St. Louis, MO 63105

Dear Mr. & Mrs. Newman,

On behalf of Reeve Lindbergh and The Charles A. and Anne Morrow Lindbergh Foundation, I am writing to invite your support of the "St. Louis Backers for Lindbergh and The *Spirit of St. Louis*" effort for the Foundation's official St. Louis celebration of the 75<sup>th</sup> anniversary of Charles Lindbergh's historic solo trans-Atlantic flight on Friday, May 10 and Saturday, May 11, 2002 here in St. Louis.

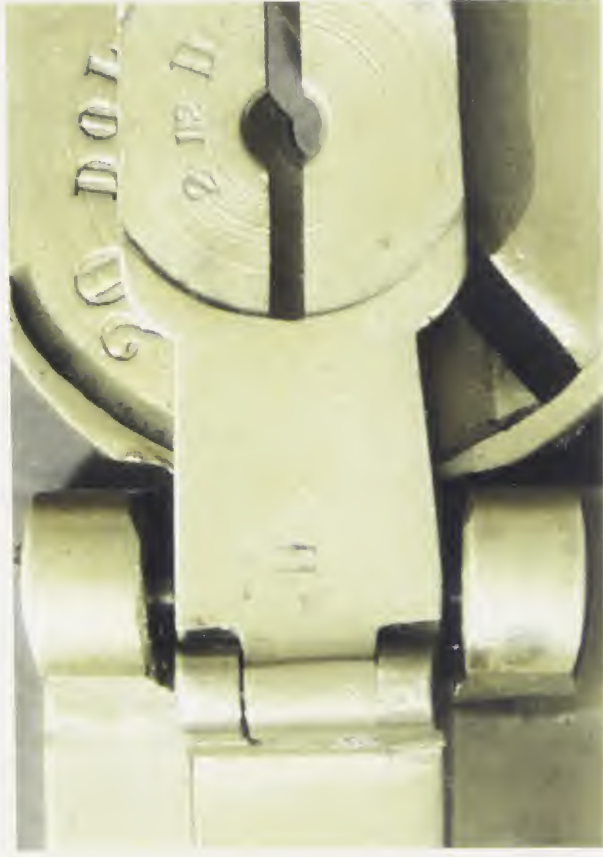

The Foundation, a 501 (c)(3) charitable organization is dedicated to honoring Charles and Anne Morrow Lindbergh's devoted partnership in aviation, exploration, conservation and their shared vision of balance between the technological advancements they helped pioneer and the preservation of the natural environment they cherished. The Lindbergh Foundation awards up to 10 prestigious grants annually to scientists around the world whose work demonstrates this balance.

"Celebrate The Lindbergh Legacy™" events take place in St. Louis immediately after the celebration kicks off in San Diego on May 10. The flying reproduction of the *Spirit of St. Louis* airplane will re-enact Lindbergh's historic landing at Lambert on Saturday morning, May 11. The previous evening, the Lindbergh Foundation will host a special gala dinner and program.

The dinner event will be staged at Lambert – St. Louis International Airport in a private airplane hangar, courtesy of Midcoast Aviation, a Sabreliner Company, with a reproduction of the *Spirit of St. Louis* flown here to be the centerpiece of the events. *An Evening with Charles Lindbergh and the Spirit of St. Louis*, is planned for 300 to 400 guests, to include cocktails and dinner served in the company of the *Spirit of St. Louis*; remarks by Reeve Lindbergh, Charles and Anne Lindbergh's daughter and a four course trans-continental dining odyssey with grand finale, landing-in-Paris French dessert and celebration.

To entertain you, we are re-creating 1927 vintage Lindbergh-themed entertainment with musicians from National Public Radio's *Prairie Home Companion*. Dr Robert Archibald of the Missouri Historical Society has been extremely supportive of our efforts and is providing us with documentary film footage of Lindbergh in St. Louis. Patrick Murphy, Executive Producer with KFTC-TV, Public Television, will emcee the evening. Many more wonderful surprises are planned.

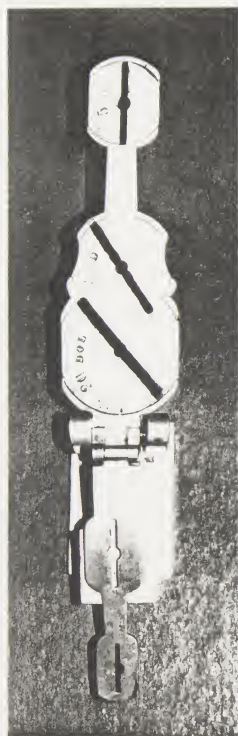

The following morning, May 11 at 8:20 a.m., the plane will re-enact its historic St. Louis landing, followed by a media event and VIP welcome by the mayor, civic dignitaries and special guests. Saturday afternoon, the *Spirit of St. Louis* will fly to Spirit of St. Louis Airport in Chesterfield where the public will be invited to view the plane.
